KEY FEATURES

530 mm brush deck
A single brush with a red guard skirt cleans a 530 mm path, at up to 2,800 m²/h.

830 mm curved squeegee
A curved squeegee with guide wheels collects the water behind the brush.

60 L / 65 L tanks
Solution and recovery tanks sized for mid-sized floors.

Handle with control panel
Icon buttons, an ECO mode key and a digital display sit on the handle.

Front LED light
An LED light on the front of the machine, above the brush deck.

Rear wheels
Large rear wheels make the 140 kg machine easy to push and turn.
